NEW EDITION

Blackstone's Civil Practice 2010

2009 Edition

Edited by **Stuart Sime**, City Law School, and **Derek French**, Legal writer and editor

New Editor-in-Chief: **Sir Maurice Kay**, The Court of Appeal

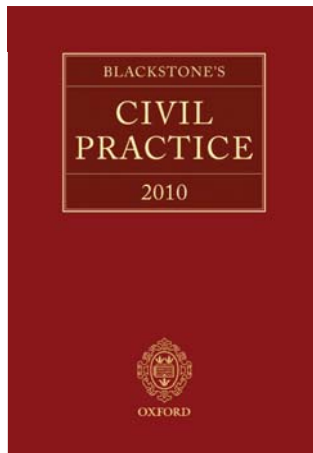

Blackstone's Civil Practice 2010 provides authoritative description and expert analysis of the process of civil litigation in both the county courts and in the High Court. It combines a unique narrative commentary with the full text of the Civil Procedure Rules, Practice Directions and Pre-Action Protocols and Practice Guides.

Blackstone's Civil Practice 2010 is the only civil court text to explain and analyse civil procedure in narrative chapters. Written by a team of expert practitioners and academics, the text follows the course of proceedings from funding litigation and commencement of a claim through to enforcement of judgments. The text offers lucid, practical guidance to the effective conduct of litigation - providing detailed guidance on both the general conduct of litigation and more specialist areas such as judicial review, landlord and tenant and possession proceedings, sale of goods, and consumer credit.

The narrative is supported by procedural checklists, giving quick access to details of required actions, time limits and applicable Rules and Practice Directions. The text is also cross-referenced to comprehensive appendices containing scrupulously edited and up-to-date texts of the Civil Procedure Rules, Practice Directions, Pre-Action Protocols and selected procedural legislation.

All copies of *Blackstone's Civil Practice 2010* will be comprehensively updated by a paper supplement, included in the price, containing updates to the CPR and case law. The book is also accompanied by a regularly updated companion web site.

- Unique topic-by-topic approach makes this an excellent strategic tool
- Includes the full text of the CPR, Practice Directions, Pre-action Protocols and Practice Guides
- Price includes a paper supplement containing updates to the CPR and case law
- Quick reference section at the front of the book organised by Rule
- Comprehensive procedural checklists in an easy-to-follow format, giving quick access to required actions, time limits and the applicable Rules
- An excellent starting point for every procedural issue, giving both well-researched background and guidance on the application of the Rules
- Gives practitioners a clear statement of the law and puts analysis of precedent in context
- Useful mixture of practical and jurisprudential advice

"A new friend, but now a constant companion. An essential first point of reference for all levels of civil law practitioners."

District Judge Sehdev, Birmingham Civil and Family Justice Centre

"I do not have the slightest hesitation in stating that, for me, I would choose Blackstone's Civil Practice before the other procedural guides. I certainly have no intention to sit without access to it."

District Judge Michael Turner, Preston Combined Court

"Blackstone's Civil Practice is a welcome addition to my library. It is comprehensive, sensibly organised and clearly laid out. The topic-by-topic approach is particularly helpful. I can go straight to a specific issue and get a useful commentary on the point as well as relevant contextual information. I have found information in Blackstone's Civil Practice that has not been covered in some of the other well known court books."

Lord Justice Keene, The Court of Appeal
