

Oxford University Press is the leading provider of UK police titles for professional development and promotion. OUP's respected portfolio of print and online products caters for serving police officers of all ranks as well as lawyers involved in police work and students of police studies and criminal justice. Titles range from accessible, practical law guides in core areas of policing such as covert investigation, fraud, PACE and crime scene management, to comprehensive police law texts for examinations and promotion, as well as more specialist, in-depth works on policing policy and practice.

- Comprehensive cross-referencing with other Blackstone's Police Manuals for ease of reference when considering subjects across other manuals
- Systematic arrangement of information and materials offers exceptional clarity
- Common-sense indexing and essential cross-referencing

Blackstone's Police Manuals are the leading police reference texts in the UK. In addition to being the only official study guides for the police promotion examinations in England and Wales, and a recognised text for student police officers, the Manuals have established themselves as the definitive reference sources for all who have involvement with police law and procedure. The Manuals have been written in consultation with police forces across England and Wales, and are endorsed by the National Policing Improvement Agency for OSPRE Part 1 Promotion Examinations.

Each book in the four volume pack has been revised and updated to include all recent legislative changes such as Criminal Justice and Immigration Act 2008, the Police (Conduct) Regulations 2008, the Police (Performance) Regulations 2008, the Serious Crime Act 2007, new content on the Proceeds of Crime Act 2002 and updates to the Road Safety Act 2006 and the Violent Crime Reduction Act 2006.

The Manuals are widely used in the professional development of police officers in a variety of roles making them essential reading for anyone with an interest in police and criminal law. Whether you are a serving police officer or police trainer, a practitioner, advisor, or researcher, *Blackstone's Police Manuals 2010* are an essential purchase.

## Policing

### A Journal of Policy and Practice

GENERAL EDITORS:

**Peter Neyroud**, National Policing Improvement Agency, and **P.A. J. Waddington**, University of Wolverhampton

*“An excellent combination of the theoretical and the practical.”*

Deputy Chief Mark R. Perez, Commanding Officer, Professional Standards Bureau, Los Angeles Police Department

Policing is an in-depth, analytical journal aimed at senior police officers, policy makers and academics. Policing offers a forum for serious discussion on important and topical issues, from global terrorism to human rights and accountability. Policing brings to the police practitioner new research and examples of good practice from around the world, while offering academics the practical experiences and strategic view of serving officers that will encourage further research in new areas.

- Editorials and launch issue available FREE online
- Critical comment and analysis of current policy and practice, comparative international practices, legal and political developments and academic research
- Themed issues to generate debate, focussing on a range of topical subjects, from policing extremism to governance
- Peer-reviewed articles from leading academics, senior officers and policy makers
- A distinguished Editorial Board and International Advisory Board of academics and police practitioners
