- The ultimate test for the law student is the exam. The Q&A series gives students the opportunity to practise exam technique and evaluate and assess their progress
- Each Q&A is written by experienced law lecturers and examiners with both undergraduate courses and the GDL in mind
- Each Q&A provides model answers to up to 50 essay-based and problem-based questions, offering guidance on exactly what the examiners are looking for in an answer
- Each Q&A gives advice on how answers should be structured and the key points to convey, providing support that benefits even the best-prepared student
- Additional useful online resources for further study accompany the Q&A series. These include revision and exam advice, subject specific glossaries of terms, updates to the law and annotated web links
