OXFORD
UNIVERSITY PRESS

Faster financial analysis from *Capital Markets Law Journal*

Published quarterly, *Capital Markets Law Journal* is the only periodical to focus entirely on aspects related to capital markets for lawyers. Each issue covers articles and news relevant to the financial centres in the US, Europe and Asia providing subscribers with a global perspective that is easy to access whether you're in the office or on the move.

CMLJ includes articles with global relevance on:

- Debt
- Derivatives
- Equity
- High Yield Products
- Securitisation
- Repackaging

The journal provides a mix of thoughtful and in-depth consideration of the law and practice of capital markets through analytical articles on topical issues written by leading practitioners and academics in the international arena. There are also articles on matters of best practice and opinion on legal and practice developments from around the globe.

General Editors

Jeffrey Golden is a Visiting Professor at the London School of Economics and Political Science and Director of MFX Solutions, Inc. Prior to this he worked at Allen & Overy LLP, which he joined as a partner in 1994 after 15 years with the leading Wall Street practice of Cravath, Swaine & Moore. He has extensive experience of swaps and derivatives, international equity and debt offerings, US private placements and listings and mergers, acquisitions and joint ventures. He acts for the International Swaps and Derivatives Association, was a principal author of ISDA's master agreements and has appeared as an expert witness in several high profile derivatives cases.

Lachlan Burn is a partner at Linklaters LLP with over 33 years' experience in banking and capital markets issues. His expertise includes debt securities, GDRs, convertible bonds, derivatives of all types and repackagings. He is a member of the London Stock Exchange's Primary Markets Group and a member of the Listing Authority Advisory Committee. He is also a member of the Legal and Documentation Committee of the International Primary Market Association.
