

Take Five

Paul Desmond (1924–77)
arr. editors

Relaxed but rhythmic

last time to Coda ⊕

D.S. al Coda

⊕ CODA

First recorded by the Dave Brubeck Quartet (the composer was the group's saxophonist), this tune rapidly became a jazz standard and is now performed in many different styles. In this arrangement, the catchy melody is shared between the hands, and the middle notes of the triplets may be omitted (leaving a pair of quavers) if desired.
