## Welcome to the World of Beach Basketball!

### What is beach basketball?

Beach basketball is basketball on the beach! It's hot, it's fast, and it's fun!

It's a game for everyone, young and old, short and tall!

Beach basketball players are called **HOOPSTERS**. They wear shorts and T-shirts, but no shoes. There are three hoopsters in a team.

There is only one basket. It's in the middle of a circle. Both teams throw the ball and score points at this basket.

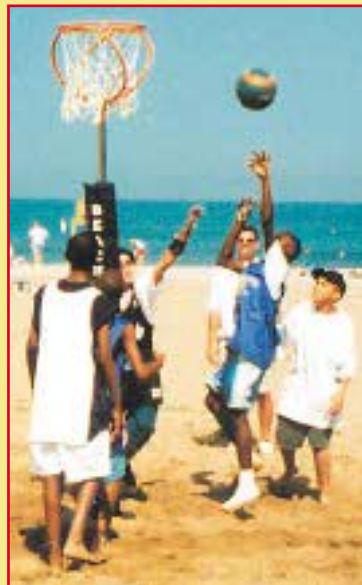

A basket from inside the circle = 2 points. A basket from outside the circle = 3 points.

Hoopsters can go anywhere on the beach. But it's a good idea to play near the basket. Then you can score points and win!

Try beach basketball with your friends!

**Have fun in the sun!**
