Smart Choice

BEGINNER TO INTERMEDIATE

Ken Wilson

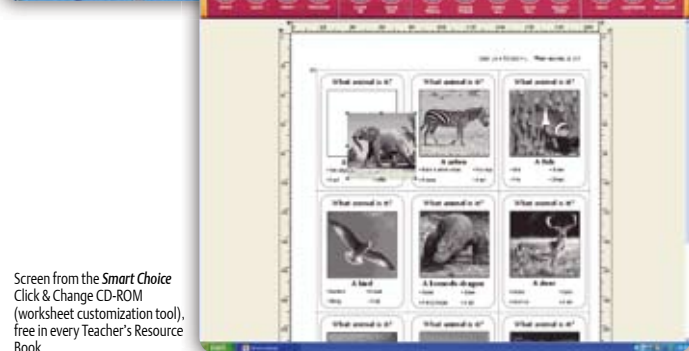

The four-skills course with personalized activities on every page and the unique Click & Change CD-ROM for customizing your worksheets.

Smart Choice is the easy and effective way to teach English. Teach right off the page, add your own activities with ease, and expand your lessons with the extra material, including customizable worksheets.

- **Flexible.** Each page is a self-contained lesson that ends with personalized speaking. With one skill per page and plenty of spots to add your own supplements, preparation is simple. Start anywhere in the unit and pick and choose activities as you go.
- **Effective.** A balance of speaking, listening, reading, writing, grammar, vocabulary, and pronunciation in every unit ensures your students have the language they need to communicate accurately and fluently.
- **Expandable.** Add extra practice with the Workbook, Teacher's Book, Teacher's Resource Book, and free Multi-ROM with video in the back of the Student Book.
- **Adaptable.** Use the Click & Change CD-ROM to bring Smart Choice into your students' world. Create professional-quality worksheets using your own photos and images.
- **Fun.** Personalization on every page lets students bring their own ideas to class. Information gaps, class surveys, and personality quizzes get students talking, laughing, and learning about each other – in English.
