

What's new in *First Certificate Masterclass*

The highly-successful course *First Certificate Masterclass* has been updated and improved to make it user-friendly, interesting and relevant for a whole new generation of users.

Key additions to the new edition include:

- increased emphasis on vocabulary, clearly organised and labelled sections
- exam-based speaking activities, using sample recordings of FCE interviews
- detailed Writing Guides with model texts, hints, and useful language
- systematic revision, including an Overview page in every unit.
- all new Unit Tests, Progress Tests, and Extra Activities available from www.oup.com/elt/teacher/exams
- extra listening practice on a complimentary audio CD provided with the Workbook
- concise and user-friendly Teacher's Book

Popular features of previous editions have been retained and improved:

- Exam Techniques with detailed *Dos and Don'ts* procedures
- Introduction pages for each unit which provide opportunities for discussion
- a topic-based approach: twelve units (reduced from fourteen in the previous edition) each with a single theme
- detailed grammar explanation and practice, plus Grammar Reference
- authentic texts for reading and listening
