School details

School name

School address

Postcode

Phone number

Subscription start date (school to choose)

Choose a user name and password for your school.

Please choose a user name and password that will enable students in your school to access *geog.world*. (You may keep the same user name and password that you chose to enter the demo site.)

Teachers will be emailed a variation on this user name that will enable them to access teacher's resources.

Please note: Both the user name and password are case sensitive and must be between 5 - 15 characters.

School user name

School password

Subscriber contact details

Contact details of the main person who is responsible for your account.

Title

First name

Surname

Job title

Email

Do not email me (except regarding *geog.world*).
We take your privacy and data protection seriously.

Choose your administrator's password

Please choose a password for administering your school's subscription account. This will enable you to change the school's password, add new teacher members, and update contact details for your school as necessary.

Subscriber password

Please note: the password is case sensitive. It must be between 5 - 15 characters, and **must** be different from your school password.
