

Scales and Scaley Things!

Playing scales and arpeggios with different rhythms is a great way to brighten up your practice.

Try each note of these scales and arpeggios with this rhythm:

Football teams, your friends' names, your favourite animals, and food can all be starting-points for your own rhythms. Make up some more patterns of your own.

G major scale

G major arpeggio

Add the arpeggio fingering like a telephone number below.

D major scale

D major arpeggio

C major scale

C major arpeggio
