About the 2014 Medicine Collection

The Oxford Journals Medicine collection is a vast repository of indispensable peer-reviewed research published in partnership with some of the world's preeminent medical researchers and societies, including the European Society for Cardiology, the Infectious Diseases Society of America, the European Society for Medical Oncology, and the Gerontological Society of America.

It is outstanding value and comes with a wide range of features for librarians and library users. Our highly cited and prestigious journals will appeal to those working in both clinical and research settings. No library is complete without this authoritative and comprehensive resource for pioneering medical research.

Titles included in the Medicine Collection are:

- Age and Ageing - **3.816**
Alcohol and Alcoholism - **1.956**
American Journal of Epidemiology¹ - **4.780**
American Journal of Hypertension - **3.665**
Annals of Occupational Hygiene, The - **2.157**
Annals of Oncology - **7.384**
Archives of Clinical Neuropsychology - **2.000**
BJA: British Journal of Anaesthesia - **4.237**
Brain - **9.915**
British Journal of Social Work, The - **0.995**
British Medical Bulletin - **4.363**
Carcinogenesis - **5.635**
Cardiovascular Research - **5.940**
Cerebral Cortex - **6.828**
Chemical Senses - **3.222**
Children & Schools
Christian bioethics: Non-Ecumenical Studies in Medical Morality
Clinical Infectious Diseases - **9.374**
Continuing Education in Anaesthesia, Critical Care & Pain
EP - Europe - **2.765**
European Heart Journal - **14.097**
European Heart Journal - Cardiovascular Imaging
European Journal of Cardio-Thoracic Surgery - **2.674**
European Journal of Orthodontics - **1.078**
European Journal of Public Health, The - **2.516**
Family Practice - **1.828**
Gerontologist, The - **2.283**
Glycobiology - **3.537**
Health and Social Work - **1.178**
Health Education Research - **1.615**
Health Policy and Planning - **3.056**
Health Promotion International - **1.377**
Human Molecular Genetics - **7.692**
Human Reproduction - **4.670**
Human Reproduction Update - **8.847**
Interacting with Computers - **1.158**
International Health - **1.012**
International Immunology - **3.135**
International Journal for Quality in Health Care - **1.793**
International Journal of Epidemiology - **6.982**
Japanese Journal of Clinical Oncology - **1.898**
JNCI: Journal of the National Cancer Institute - **14.336**
Journal of Analytical Toxicology - **2.107**
Journal of Antimicrobial Chemotherapy - **5.338**
Journal of Deaf Studies and Deaf Education - **1.397**
Journal of Infectious Diseases, The - **5.848**
Journal of Molecular Cell Biology - **7.308**
Journal of Music Therapy **NEW**
Journal of Pediatric Psychology - **2.647**
Journal of Public Health - **1.993**
Journal of the History of Medicine and Allied Sciences - **0.897**
Journal of the International Commission on Radiation Units and Measurements (ICRU)
Journal of the Pediatric Infectious Diseases Society
Journal of Tropical Pediatrics - **1.006**
Journals of Gerontology - Series A:
Biological and Medical Sciences, The - **4.314**
Journals of Gerontology - Series B:
Psychological and Social Sciences, The - **3.006**
Mathematical Medicine and Biology: A Journal of the IMA - **2.412**
Medical Law Review - **0.755**
MHR: Basic Science of Reproductive Medicine
Microscopy²
Molecular Biology and Evolution - **10.353**
Music Therapy Perspectives **NEW**
Mutagenesis - **3.500**
Nephrology Dialysis Transplantation - **3.371**
Neuro-Oncology - **6.180**
Nicotine & Tobacco Research - **2.477**
Occupational Medicine - **1.451**
Protein Engineering, Design and Selection - **2.588**
Public Health Ethics - **0.788**
Public Policy and Aging Report **NEW**
QJM: An International Journal of Medicine - **2.361**
Radiation Protection Dosimetry - **0.909**
Rheumatology - **4.212**
Schizophrenia Bulletin - **8.486**
Social Cognitive and Affective Neuroscience - **5.042**
Social History of Medicine - **0.472**
Social Work - **0.867**
Social Work Research³ - **0.800**
The Journal of Medicine and Philosophy: A Forum for Bioethics and Philosophy of Medicine - **0.812**
Toxicological Sciences - **4.328**
Transactions of the Royal Society of Tropical Medicine and Hygiene - **1.823**

1. Previously known as the *American Journal of Hygiene*

2. Previously named *Journal of Electron Microscopy*

3. *Social Work Research* was originally combined with *Social Work Abstracts* to comprise *Social Work Research and Abstracts*, which ran from Volumes 1 through 29. *Social Work Research and Abstracts* divided into two separate journals in 1995, with *Social Work Research* starting at Volume 19

Highlights from the 2014 Medicine Collection

Annals of Oncology

Impact Factor: 7.384 (2012 ISI Journals Citation Index)
Publishing since 1990 **12 issues per year**

Annals of Oncology is a multidisciplinary journal that publishes articles addressing medical oncology, surgery radiotherapy, paediatric oncology, basic research, and the comprehensive management of patients with malignant diseases.

Published on behalf of the European Society for Medical Oncology and also affiliated with the Japanese Society of Medical Oncology.

British Journal of Anaesthesia

Impact Factor: 4.237 (2012 ISI Journals Citation Index)
Publishing since 1923 **12 issues per year**

The *British Journal of Anaesthesia (BJA)* is the oldest and largest independent journal of anaesthesia. It publishes original articles of the highest standard in all branches of anaesthesia and is one of the most highly cited journals in its field.

Published on behalf of the British Journal of Anaesthesia.

Clinical Infectious Diseases

Impact Factor: 9.374 (2012 ISI Journals Citation Index)
Publishing since 1979 **24 issues per year**

Clinical Infectious Diseases (CID) is a leading journal in the field of infectious diseases with a broad international readership. The journal publishes articles on a variety of subjects of interest to practitioners and researchers. Topics range from clinical descriptions of infections, public health, microbiology, and immunology to the prevention of infection, the evaluation of current and novel treatments, and the promotion of optimal practices for diagnosis and treatment. The journal publishes original research, editorial commentaries, review articles, and practice guidelines, and is among the most highly cited journals in the field of infectious diseases.

CID is an official publication of the Infectious Diseases Society of America.

European Heart Journal

Impact Factor: 14.097 (2012 ISI Journals Citation Index)
Publishing since 1980 **48 issues per year**

The *European Heart Journal* publishes the highest quality material, both clinical and scientific, on all aspects of cardiovascular medicine. It includes articles related to research findings, technical evaluations, and reviews. In addition, it provides a forum for the exchange of information on all aspects of cardiovascular medicine, including education issues.

Published on behalf of the European Society of Cardiology.

The Gerontologist

Impact Factor: 2.283 (2012 ISI Journals Citation Index)
Publishing since 1961 **6 issues per year**

This journal provides a multidisciplinary perspective on human ageing through the publication of research and analysis in gerontology, including social policy, program development, and service delivery. It reflects and informs the broad community of disciplines and professions involved in understanding the ageing process and providing service to older people.

Published on behalf of the Gerontological Society of America.

Human Reproduction

Impact Factor: 4.670 (2012 ISI Journals Citation Index)
Publishing since 1986 **12 issues per year**

Human Reproduction features full length, peer reviewed papers reporting original research and clinical case histories, as well as opinions and debates on topical issues. Papers published cover the scientific and medical aspects of reproductive physiology and pathology, endocrinology, andrology, gonad function, gametogenesis, fertilization, embryo development, implantation, pregnancy, genetics, genetic diagnosis, oncology, infectious disease, surgery, contraception, infertility treatment, psychology, ethics, and social issues.

Published on behalf of the European Society of Human Reproduction and Embryology.

JNCI: Journal of the National Cancer Institute

Impact Factor: 14.336 (2012 ISI Journals Citation Index)
Publishing since 1940 **24 issues per year**

This journal publishes peer reviewed original research from around the world and is internationally acclaimed as the source for the most up-to-date news and information from the rapidly changing fields of cancer research and treatment.

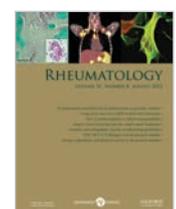

Rheumatology

Impact Factor: 4.212 (2012 ISI Journals Citation Index)
Publishing since 1952 **12 issues per year**

This international peer reviewed journal publishes the highest quality scientific and clinical papers. Its scope includes the full spectrum of rheumatological conditions, musculoskeletal medicine, and surgery. *Rheumatology* aims to provide very rapid publication of all papers both online and in hard copy.

Published on behalf of the British Society for Rheumatology.

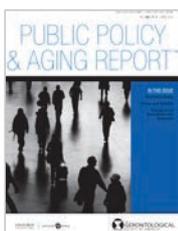

Joining the Medicine Collection in 2014

Public Policy and Aging Report

Volume 23 4 issues per year

Public Policy and Aging Report publishes articles examining policy issues generated by the aging of society. It is a quarterly publication with each issue focused on one particular subject. All articles are invited by the Editor and are written by prominent researchers and policy makers.

Published on behalf of The Gerontological Society of America

Music Therapy Perspectives

Volume 32 2 issues per year

Music Therapy Perspectives seeks to promote the development of music therapy clinical practice through the dissemination of scholarly work. It publishes all forms of reports that have implications for music therapy practice including clinically-focused research reports, innovative developments, case studies, educational research, and theoretical articles. With a focus on clinical benefits of music therapy, *Music Therapy Perspectives* strives to serve as a resource and forum for music therapists, music therapy students and educators, and those in related professions.

Published on behalf of the American Music Therapy Association

Journal of Music Therapy

Volume 51 4 issues per year

The *Journal of Music Therapy* seeks to advance research, theory, and practice in music therapy through the dissemination of scholarly work. Its mission is to promote scholarly activity in music therapy and to foster the development and understanding of music therapy and music-based interventions.

The journal strives to present a variety of research approaches and topics, to promote critical inquiry, and to serve as a resource and forum for researchers, educators, and clinicians in music therapy and related professions.

Published on behalf of the American Music Therapy Association

Features and Benefits for Libraries

- perpetual access to paid for content
- access to content dating back to 1996
- subscribe to the entire collection, individual subject packages or a customized selection of titles
- COUNTER 3-compliant usage statistics
- digital preservation arrangements with CLOCKSS, LOCKSS, and Portico
- licence options available for individual libraries (single and multi-site) and consortia

Features and Benefits for Library Users

- access available via IP address or remotely, via Athens and Shibboleth (where available)
- integrated searching via PubMed and Google Scholar
- keep informed of the latest research with free email alerting
- downloadable references in multiple formats including EndNote, Zotero, ProCite, BibTex or RefWorks
- toll free linking from citations to any journals hosted by HighWire Press
- mobile optimized service including offsite access
