NEW
2009

DID YOU KNOW?

The University of Oxford established its right to print the *King James Authorized Version* of the Bible in the 17th century.

Excellent functionality and extensive links...

- **Search and browse** options allow users to quick search all content simultaneously or to focus on a single type of reference content such as subject articles; chapters; biographies; images; maps; charts; or Bible study
- **Navigate** back and forth between standard reference material and Bible text. Highlight any term within biblical verse and automatically run a quick search
- Easily and quickly **compare commentaries and texts** of multiple bible versions
- **Extensive cross-searching** provides users with access to related content in book, chapters, verse, primary texts, A-Z articles, and biblical text
- Entries from Kohlenberger's **Concise Concordance to the NRSV** and **New American Bible Concise Concordance** can be viewed with the text of corresponding bibles for study and comparison
- Quick verse look up and linking

- **An expanding range of carefully-selected links to external websites** facilitate further research

- **User-friendly print formats**

Subscriber services include...

- **Extensive online help** and excellent **customer and technical support**
- **Detailed usage statistics** allow you to track how often your users are accessing *Oxford Biblical Studies Online*
- **OpenURL compliance** allows users to query their library catalogue with bibliographic information
