

# Oxford Reference Online

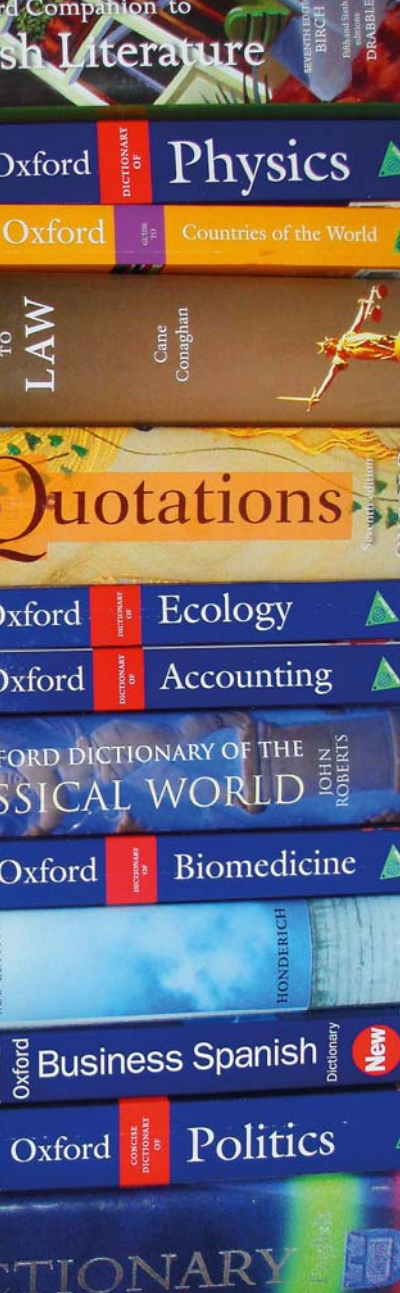

Oxford Reference Online brings together dictionaries and subject reference books from one of the world's biggest and most trusted reference publishers into a single cross-searchable resource.

- **Over 1.4 million facts and definitions**, extensively cross-referenced in art & architecture, business, biology, classics, computing, economics, food & drink, history, law, literature, medicine, performing arts, science, mathematics, religion, politics, and philosophy – written by top academics and experts
- **16,000+ illustrations**, including colour photographs, line diagrams, maps, and tables
- **Timelines** linking thousands of key events
- For quick definitions **English dictionaries** and **bilingual dictionaries** of French, German, Spanish and Italian
- **Find out who said what and when** from *The Oxford Dictionary of Quotations*
- **36,000+ bibliographies**
- **167,000+ biographical entries**, all cross-referenced and where possible linked to entries in the *Oxford Dictionary of National Biography*, *American National Biography*, *Oxford Art Online*, *Oxford Music Online* and *Who's Who*
- **Over 3,000 editorially selected external web links**, at entry, book and subject level
- **New and revised titles** added at least three times a year and entries checked and updated throughout the year

- ▶ Enhance your **Oxford Reference Online** collection by purchasing online editions from the **Oxford Digital Reference Shelf**
