# AMERICAN NATIONAL BIOGRAPHY ONLINE

*"One of the best reference sources of the millennium."* LIBRARY JOURNAL

**The acclaimed 24-volume American National Biography is now online!**

**ANB Online** is the premier source of information about people from all eras who have influenced and shaped American culture. With sophisticated search capabilities, lively and detailed articles, internal cross-references, up-to-date bibliographies, and links to external web resources, **ANB Online** represents the benchmark for online reference tools in the 21st century.

*Discover the lives of thousands of well-known, infamous and important but little-known individuals – all of whom have shaped America's history in some way...*

From missionaries to musicians, social workers to statisticians, biographers to baseball players and cowboys to chemists, the entries in **ANB Online** combine to present a social, cultural, economic, political, military and popular portrait of the history and character of the American nation.

## **A huge, online reference resource**

- With over 18,000 detailed profiles of Americans born both in and outside the United States, the coverage offered by **ANB Online** is unparalleled.
- Profiling a wide range of people from all walks of life, **ANB Online** reflects the rich diversity of American life, and is the first biographical work of its kind to be available online.
- From Vikings to astronauts, **ANB Online** covers individuals from pre-colonial times onwards.
- Includes contributions from over 6,000 expert authors, and thousands of illustrations and photographs.
- Detailed bibliographies follow each entry.

## **Authoritative**

- Published by Oxford University Press under the auspices of the American Council of Learned Societies, **ANB Online** has been written by today's most eminent and respected contributors, from a wide range of disciplines.
- The acclaimed print edition won the American Library Association's Dartmouth Medal for best reference of the year in 1999 and, with so many definitive biographies, plus excellent search capabilities, **ANB Online** has quickly become the new authority in American biography.

## **Regularly updated**

- Up to 100 new or revised biographies by leading historians are added every quarter, extending the coverage of the print edition to those who died after 1995.
- Quarterly updates also incorporate new factual information and new bibliographical resources.

## **Wide range of search options and links**

- **ANB Online** offers simple 'quick searches' and more advanced 'custom searches' to suit a range of users – *search for Lithuanian musicians who made their name in America, female lawyers born between 1900 and 1930, and religious leaders and clergy who died between 1875 and 1880.*
- 80,000 regularly updated links make it easy for users to find key archival, library and other external resources.

"This is a powerful database... designed with real human searchers in mind..."
