Encyclopedia of Popular Music

Online access to the largest and most authoritative popular music reference work...

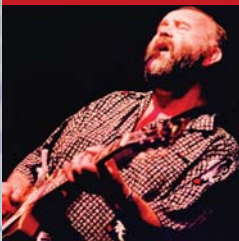

NEW

The 10-volume *Encyclopedia of Popular Music* is already established worldwide as the most comprehensive reference work devoted exclusively to popular music – and it is now available online for the first time! In addition to being regularly updated, it is also fully cross-searchable alongside *Grove Music Online* within the new *Oxford Music Online* gateway.

A vast and unique resource covering all aspects of popular music...

- **Containing 27,000 entries**, the online edition includes the full content from the 4th edition published in late 2006
- **Regularly updated** with new and revised articles
- **Not just Rock & Roll:** comprehensive coverage of popular music of all genres and periods from 1900 to the present day, including jazz, country, folk, rap, reggae, techno, musicals, world music, and more
- **Broad musical scope:** a multicultural world view of popular music
- **Thousands of entries** covering genres, trends, styles, record labels, venues, and music festivals
- **Key dates, biographies, and further reading** are provided for artists covered, along with complete discographies that include record labels, release dates, and a 5-star album rating system
- **Revision and expansion of popular and growing genres** including modern R&B, alternative, country, lo-fi, jazz, punk, metal and hip hop

DID YOU KNOW?

The only individual artist to have two albums in *EPM* Editor Colin Larkin's top 100 is John Martyn.

Cross-search the *Encyclopedia of Popular Music* alongside *Grove Music Online* within the new *Oxford Music Online* gateway – see over for further details!

"This extraordinary work... is simply a must-have for anyone interested in the broad church of popular music." RECORD COLLECTOR

Excellent functionality...

- **Newly-designed interface** provides clear and easy access to exceptional content
- **Search by genre and by decade**
- **Search discographies** by label, date, and album rating
- **Extensive cross-references** between articles provide ease of research
- **Cross-searchable** alongside *Grove Music Online* within *Oxford Music Online*
- **Print-friendly format** means that articles can be printed off with ease
- **Export citations** to citation management software: Endnote™, Procite™, RefWorks™, Reference Manager™

Subscriber services include...

- **Extensive online help** and excellent **customer and technical support**
- **Detailed usage statistics** allow you to track how often your users are accessing the *Encyclopedia of Popular Music*
- **OpenURL compliance** enables users to query their library catalogue with bibliographic information

DID YOU KNOW?

There are six Christmas albums in the editor's worst 100 albums of all time, including *Merry Christmas with the Smurfs*.
