

Oxford Reference Online

Powering knowledge...

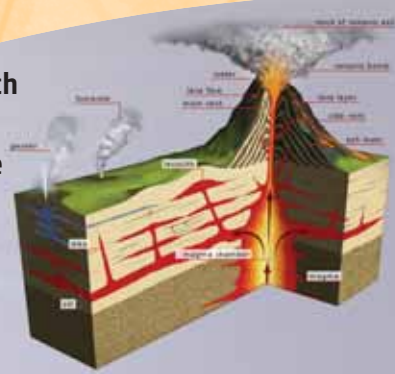

“Consistently one of our highest-used resources... and one of the most popular with students.”

Claire Grace,
Electronic Resources
Manager
OPEN UNIVERSITY, UK

Oxford Reference Online: Premium Collection combines rich and scholarly resources offered by acclaimed titles in the *Oxford Companions* series with authoritative quick-reference coverage of the full subject spectrum. It also offers excellent functionality, and a wide range of additional material such as maps, illustrations, and timelines.

A vast online reference library – open 24/7...

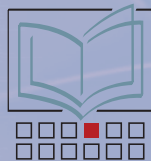

- Over **160 subject dictionaries** offer unrivalled coverage of everything from art to accountancy, politics to physics, and computing to classics
 - Explore **over 1 million entries across 25 subjects**, including an extensive range of *Oxford Companions*, and the *Oxford Dictionary of Quotations*
 - Includes **English dictionaries**, and **bilingual dictionaries** of French, German, Spanish, and Italian
 - Over **40 timelines** link more than 2,500 key events in 20th-century history in the fields of Art and Architecture; Literature; Performing Arts; Politics and Government; Science, Technology and Medicine; Society; and War
 - Access **12,500 images** – including 6,000 in full-colour with fully-searchable captions PLUS over 900 full-colour country, state and city maps, and flags
 - **Updated 3 times a year** with new titles and new editions
- Special subject collections:** prestigious reference works in the areas of **Western Civilization** and **Literature** are now available to *Premium Collection* subscribers for a small additional annual fee.
- Oxford Reference Online/Literature Online partnership:** over 30 prestigious literary reference titles from the *Premium* and *Literature Collections* of *Oxford Reference Online* can now be searched direct from ProQuest's *Literature Online*.

DID YOU KNOW?

The biro, or ballpoint pen, was developed commercially by Hungarian brothers László and George Bíró in the 1940s. The original patent was registered in 1888! (From *A Dictionary of Modern Design*)

Oxford Digital
Reference Shelf

The **Oxford Digital Reference Shelf** is an exciting initiative offering libraries the opportunity to purchase electronic editions of an expanding range of Oxford's award-winning scholarly reference titles from a wide variety of subject areas, including: History; Art; Literature; Science; Linguistics; and Performing Arts. Each *Oxford DRS* title can be accessed as a stand-alone online resource with its own URL, or through *Oxford Reference Online: Premium Collection*.

"The design makes use of some of the best features we've seen in online reference publishing." LIBRARY JOURNAL

Excellent functionality and an invaluable learning resource...

- **Quick search** by word or phrase is available from every web page, PLUS the ability to sort results alphabetically, and by category
- **Advanced search options** enable users to search the database as a whole, restrict a search to subjects or individual books, specify date or people filters, and perform Boolean, extended and pattern searching
- Users can **browse** the entire **database**, a particular **subject** area, or a specific **book**
- **Extensive cross-references** enable users to move to related articles with speed and ease
- Users can also **highlight any word or phrase**, and **search** for it **across the database** in an instant using our innovative cross-referencing tool
- Downloading our invaluable **web look-up tool** means that users can highlight any word or phrase on ANY website, and find further information about it in *Oxford Reference Online* with a single click
- **Entries** and **search results** can be emailed to colleagues and friends
- **Over 2,500 carefully-selected links** to external websites are great for follow-up research
- **Links** can be made to individual articles and books direct from course packs and reading lists
- **Citation information** is available for all entries

Subscriber services include...

- **Remote access is available** at no extra charge
- **Extensive online help** and excellent **customer and technical support**
- **Detailed usage statistics** allow you to track how often your users are accessing *Oxford Reference Online*
- **OpenURL** compliance enables users to query the library catalogue with bibliographic information
- **MARC21** records are available free of charge to aid cataloguing
