

# The very best books in Philosophy now available online!

OXFORD UNIVERSITY PRESS

## Oxford Scholarship Online

For teaching and research

Cross-search the full text of over 1,200 books

Link to individual chapters from online course packs and reading lists

The screenshot shows the Oxford Scholarship Online website. On the left is a search sidebar with options like 'Quick Search', 'Advanced Search', and 'Full Book Entries'. The main content area displays a book entry for 'Principled Ethics' by Michael Ridge, including its publication date (2006), ISBNs, and an abstract. Below the abstract is a 'Table of Contents' section with a list of chapters, each with an 'ABSTRACT' and 'FULL TEXT' link. A callout box points to these links, stating 'Abstract and keywords at book and chapter level'.

Export citations to Endnote™, RefWorks™, Reference Manager™ and ProCite™

Bibliographic links take you direct to other online resources

This screenshot shows a list of bibliographic entries. A callout box points to a 'Printer friendly format' link next to one of the entries. Another callout box points to a 'PycARTICLES' link, which is shown in a separate window displaying a citation and abstract for an article on 'Ego depletion' by Roy F. Baumeister et al. The PycARTICLES window includes fields for title, abstract, authors, and affiliations, along with a 'Printer friendly version' link.

Printer friendly format

*'OSO is very impressive. Highly intuitive, well-laid out, and easy to search and find.'*

PETER GOLDIE, SAMUEL HALL CHAIR IN PHILOSOPHY, UNIVERSITY OF MANCHESTER

### A vast and rapidly-expanding online research library making Oxford's scholarly books more accessible than ever before

Cross-search the full text of over 1,200 of the very best Oxford books in Philosophy, Economics and Finance, Political Science, and Religion. At least 200 new books are added each year.

### An invaluable resource for teaching and research

- All abstracts and keywords are available alongside journals' abstracts through a wide variety of online services (you can even search for books in OSO using Google)
- Link to individual books and chapters direct from your course packs and reading lists
- There is no limit on the number of students who can access a book or a chapter simultaneously, and remote access comes as standard
