9780199154906 £20.00 Spring 2009

GCSE German for OCR Evaluation Pack
9780199154890 £20.00 Spring 2009

GCSE Spanish for OCR Evaluation Pack
9780199154913 £20.00 Spring 2009

What is changing in 2009?

- Controlled assessment for speaking and writing**, to make assessment more manageable for teachers and students
- Updated and less prescribed content** to offer students a more interesting study route through GCSEs
- Innovative approach to teaching and learning** to develop students' personal study skills

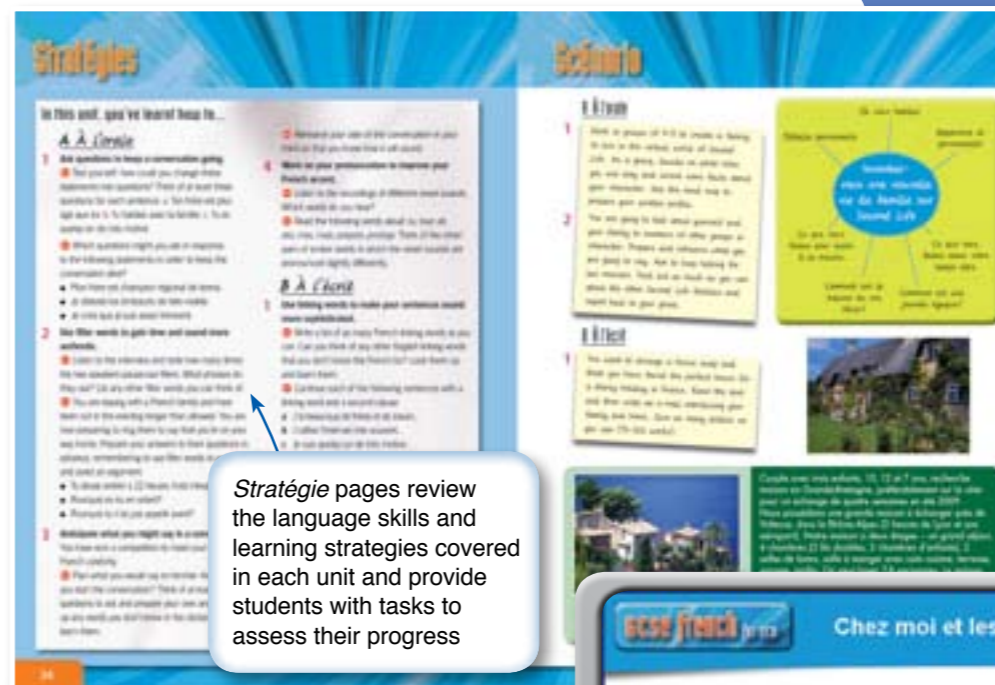

How will GCSE French, German and Spanish for OCR help?

Fully in line with the specifications and endorsed by OCR, they offer:

- A focus on skills and assessment**, especially on speaking and writing, to prepare your students fully for exams and controlled assessment
- Brand new content** to engage students and maximise grades, and **comprehensive teacher's support** to aid planning
- OxBox CD-ROMs** to allow you to add your own resources, customise lesson plans and create your own tests
- OCR editions of Oxford dictionaries** to support students throughout their course

Comprehensive support for exam preparation and controlled assessment

How?

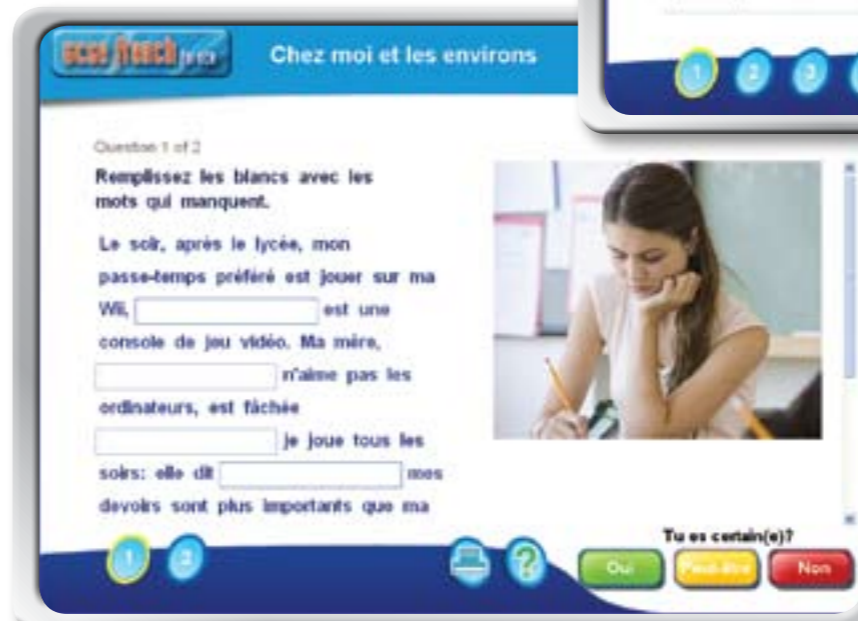

Stratégie pages review the language skills and learning strategies covered in each unit and provide students with tasks to assess their progress

Scénario pages offer opportunities to practice controlled assessment in preparation for the new GCSEs

Practice questions and auto-marked tests on the OxBox CD-ROMs offer support for exam preparation and controlled assessment

GCSE French for OCR Student Book sample

Summative tests on the OxBox CD-ROMs allow teachers to check their students' knowledge and identify areas for concern

GCSE French for OCR OxBox CD-ROM sample

Formative tests on the OxBox CD-ROMs help students to assess their own learning using the OxBox AfL (Assessment for Learning) traffic light system

GCSE French for OCR OxBox CD-ROM sample

All the practical support you could ever need!

Here's how it works...

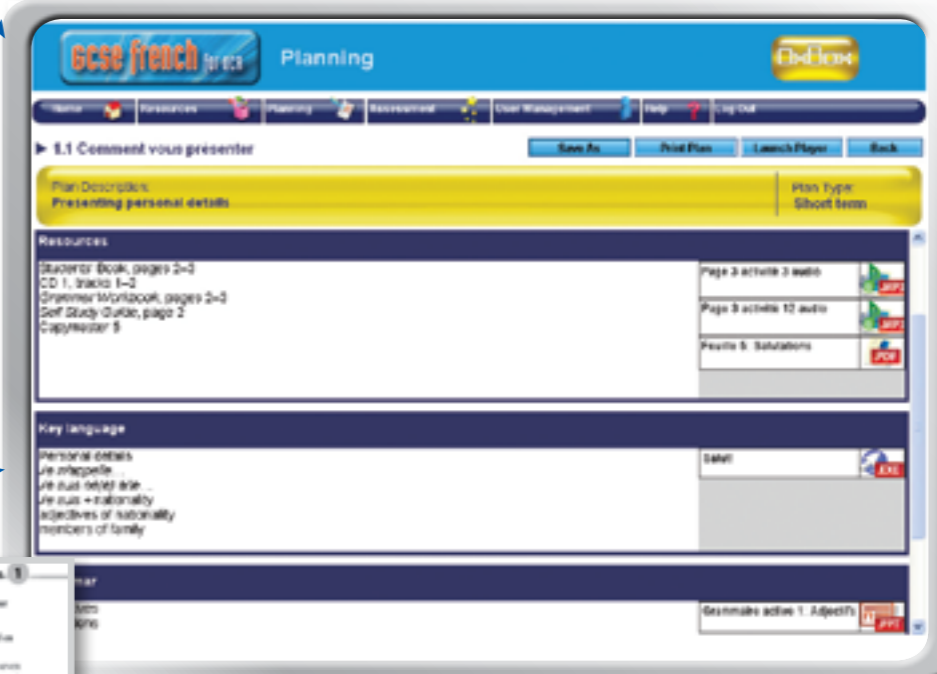

Plan your lesson in minutes, with a wealth of lesson plans available on the **OxBox CD-ROMs**. You can customise these lesson plans or create *your own* to meet the needs of all your GCSE students.

Activities on the **OxBox CD-ROMs** link to the Teacher Book to offer you a fully integrated solution for GCSE Languages

A skills-based approach to GCSE in the **Student Book** offers engagement and motivation for your whole class

GCSE French for OCR Student Book sample

GCSE French for OCR OxBox CD-ROM sample

The **Teacher Book** offers guidance on how to integrate all the components in your lesson to help you deliver the new GCSE specifications with ease

Interactive activities and copymasters on the **OxBox CD-ROMs** provide students with skills practice and exam preparation

Run your lesson in the classroom at the click of a button using the **OxBox Lesson Player**
