

1.2 Our planet: always changing

Your turn
extensions

Name _____ Class _____

- 1 e Look at the photographs showing change by natural forces at the top of page 8 in the pupil book. Choose one of these photographs and make a pencil sketch of it in your exercise book. Annotate your sketch, using correct terminology, to explain what is happening and the changes that occur as a result.
- 4 a Think about the human changes in the area where you live. What are the impacts of those changes on different groups of people? Describe how the changes will affect:
- Elderly people
 - People of your age.

Elderly people _____

People of my age _____

- 5 a You have chosen the problem that you think is the most serious. Explain why you think it is more serious than the other problems outlined.

The problem that I think is most serious is _____
