

Nouns

Nouns are words for *things*

thing *noun* (*plural things*)
an object; anything that can be touched or
seen or thought about

a Make a list of four things that you can see within a few metres of where you are. Look the words up in the dictionary and see which word class they belong to.

.....
.....

b Look up the words:

woman, boy, sister, mechanic, athlete

What are they all words for; and what word class are they?

.....

c Here are six sets of nouns:

1 {river, mountain, valley,}

2 {triangle, hexagon, circle,}

3 {song, ballad, tune,}

4 {heel, knee, jaw,}

5 {trawler, schooner, cruiser,}

6 {bunch, team, crowd,}

Each of the nouns below also belongs to one of the six sets. Can you write them into the correct space?

gang knuckle square ocean verse yacht
