

Name _____

Verb variations

Look up the verb **happen**. There are four different verb forms; the headword and three verb forms in brackets. **happen** *verb* (**happens, happened, happening**)

1 Write a different form of the verb **happen** in each of the spaces:

Anything could in the next five minutes. What's now?

It all the time. Something awful has

2 The regular way to make verb forms is just to add **-s, -ing, and -ed** to the headword. Complete this table of verbs:

happen	call	stay	work	contain	intend
happens					
happening					
happened					

3 The verbs in the next table are nearly regular, but adding **-s, -ing, and -ed** causes some changes to the spelling. Complete the table.

fade	stop	explode	plan	cry
fades				
fading				
faded				

4 These verbs are irregular. Complete the table and check your answers in the dictionary:

come	pay	run	weep	sleep	fight
comes					
coming					
came					

5 These are regular and irregular verbs. Write out their forms on a separate sheet of paper. Make sure that you put your name on top!
