

Getting to the Top

1 If you look in a telephone directory, you will find many businesses with names like

ABACUS COMPUTERS
hardware, software
01788 78910

Baa-baa
WOOL SUPPLIERS
for all your knitting needs

01788 24062

ABC Taxis
fast efficient radio-cabs
01788 36876 24 hours

The idea is to be near to the top of the alphabetical list. Why, do you think?

Using the dictionary, invent a clever, catchy name for each of the following kinds of business. It should be near the beginning of the alphabet.

a pet shop

a health food shop

a mobile disco

Group Work

Working as a group, put all the names you have thought up into one alphabetical list.
